

Hilltop Rural Building Block

A hilltop building block with 360 degree views, forget the hustle and bustle and settle in the quite regional town of Wirrabara with a convenient store, bakery and pub! What more could you want.

With rural fencing surrounding the perimeter, you could turn this block into a getaway destination with views to the gum studded hills. Imagine soaring with the eagles you'll truly experience the breeze beneath your feet with this level of elevation.

The opportunity is yours today, with popular eateries and local attractions only a short drive away, including Laura, the home of Golden North, Mount Remarkable and Melrose, or further to the north the flinders ranges.
