## Outback Escape

Affordable Getaway with Room to Improve

Set in the peaceful township of Hammond where life moves at your own pace and neighbours are few this 3-bedroom cottage offers a chance to escape the noise and enjoy a simple lifestyle surrounded by the rugged beauty of the Southern Flinders Ranges.

Ideal for the handyman, traveller or nature-lover, the home includes three bedrooms (one with through-access), an external shower and hand basin, plus a separate outdoor toilet. While modest, the property has had some key upgrades over time including external cladding and a Colourbond iron roof.

The yard offers space and flexibility, featuring a couple of handy sheds and a horse float currently used as wood storage. With fencing only on the northern and western sides, access to the rear is a breeze perfect for trailers, campers, or future landscaping equipment should you wish to create your own garden oasis.

There are some signs of old termite damage on the dining room wall, though no current activity has been detected.
