evaporative air conditioning, a 10kW solar system feeding back into the grid, and mains water connection.

- Large Shed (Built 2020) – This spacious 100' x 30'* shed features roller door access at both the front and side, making it ideal for storage, servicing, and workshop purposes. Equipped with 3-phase power, overhead lighting, and a concrete floor, this shed is designed for heavy-duty use.
- Standalone Workshop – Located on its own title at the rear of the property with side access from Wilkins Street, the workshop is 40'x40' with an office, concrete floor, single-phase power, and water connected, making it a perfect spot for maintenance and servicing.
- Secure Site – The entire property is fully fenced with electric gates and monitored security, offering peace of mind and protecting your investment.
- High Exposure & Convenience – The property's location on a busy road, combined with proximity to the local boat ramp, ensures high visibility and easy access for clients.
- Additional Infrastructure – The site is fully equipped with water, and three-phase power, supporting a wide range of business operations.
- Managers residence with front workshop and main road frontage adjoining the property also available to purchase separately.
- Vacant Possession – The property will be offered with vacant possession unless the intending purchaser would like to continue operations where plant and stock can be negotiated.
