Character filled Cottage in Wirrabara

🛏 3 🗺 2 🚗 2

Set in the picturesque township of Wirrabara, home to one of the most admired murals on the Australian Silo Art Trail, this beautifully presented 1920s cottage captures the warmth, creativity and community spirit that define the region. The artwork celebrates the town's forestry heritage and stunning natural surrounds, perfectly reflecting the peaceful, welcoming atmosphere that residents love.

The street name "Radiata" pays tribute to the local radiata pine industry, and with the home's close proximity to the former Wirrabara Forest Mill, it's likely this character-filled residence once housed a worker from the mill itself.

Inside, the property offers a delightful blend of old-world charm and modern comfort. Featuring three bedrooms and two bathrooms, it has been freshly painted throughout and includes a modernised kitchen, new split-system air conditioning, and inviting living spaces. The thoughtful renovations make it ideal as a permanent home, weekend getaway or BnB opportunity.

Set on a generous 830m² allotment, the property includes rear access via a right-of-way on the western boundary to the single car garage, has extra store rooms, and is connected to town water. Representing outstanding value at \$279,000, this home is ready to enjoy.
