## Freehold Property – \$660,000 to \$690,000

Proudly positioned along the Augusta Highway, the Flinders Rest Hotel stands as a regional landmark, rich in character and ready for its next chapter. Set on a generous parcel, the property features two spacious dining areas, a welcoming bar, lobby off the kitchen, and an expansive beer garden framed by palms, all powered by a massive 57kW solar system. Excellent rear access to the yard and a single garage complete the practical layout. Whether you're seeking to continue the hotel and dining trade (subject to approvals) or reimagine the site as a unique private residence, this versatile property offers countless possibilities. Included is a comfortable four-bedroom home with two bathrooms and a living area, ideal for on-site living, family use, or short-stay accommodation. And at the right price, the historic town hall next door can also be negotiated – a remarkable opportunity to expand into a function venue, distillery, or creative enterprise. Where country charm meets modern opportunity.
