Step outside and let your imagination run wild — the backyard is a blank canvas ready to be transformed. A standout 12m x 7m shed with concrete and power provides:

- Two bays for parking
- One bay converted into an ensuite/office space
- Workshop area
- Gas hot water, plumbed rainwater, and a mezzanine for added storage
- Solar panels on shed roof connected to house, to help minimise power costs

But that's not all — a 850m² * block at the rear, with access from Challa Court, offers even more possibilities (STCC). Build, extend, create a second dwelling or explore subdivision potential — the choice is yours. Please note: no services are currently connected to the vacant land.
