When it's time to unwind, the privately positioned master suite offers a peaceful escape from the rest of the home. Complete with direct access to the central alfresco, it's the perfect place to start your day with a coffee or finish it with a quiet drink as the sun goes down.

Outside is where this property truly comes into its own.

While the home's warmth and character are immediately obvious, one of its most impressive features quietly works behind the scenes. An outstanding 10kW\* solar system paired with an enormous 30kW\* battery storage system delivers exceptional energy efficiency, helping to reduce running costs while allowing you to enjoy year-round comfort with the recently upgraded ducted reverse cycle air conditioning.

For those who need room for the toys or somewhere to tinker on weekends, the 7.5m x 6m\* shed offers the perfect workshop or storage space, complemented by an additional rear tool shed and the convenience of a double garage under the main roof.

Positioned in the highly regarded Wandilta Estate, you'll enjoy the convenience of being just minutes from Kadina's shopping precinct, schools, and everyday amenities, while the pristine beaches of Wallaroo and North Beach are only a short drive away. Whether it's a morning coffee in town, an afternoon on the golf course or a spontaneous evening by the coast, everything that makes the Copper Coast lifestyle so desirable is within easy reach.
