

Saint Augustine's Catholic Church, Wirrabara

2 1 2,045m2

Once a place of gathering, celebration and community, Saint Augustine's Catholic Church in Wirrabara holds a history within its stone walls. With its final service now held, this well-maintained building presents an opportunity for a new owner to take the next step and give the property a new lease on life.

The church features a solid stone exterior, a central hall with exposed timber ceilings, carpeted floors and the original altar at the rear. A small adjoining room includes a hand basin and external access. While the building has been maintained, some repairs and finishing works are still required to bring it up to its full potential.

Positioned centrally on the allotment, the church offers plenty of space surrounding the building, with scope to explore additional buildings or alternative uses, subject to the necessary approvals. An external toilet is also present, although it is not connected to the town septic system.

Whether you are looking to preserve a piece of local history or explore a unique project, Saint Augustine's offers a chance to take on something a little different.

A piece of Wirrabara's history, ready for its next chapter.
