thoughtful features that make cooking and hosting effortless, centered around a large stone island bench with generous under-bench seating, creating the perfect gathering point for family and friends. Whether enjoying a casual breakfast, preparing dinner or entertaining guests, the island provides plenty of room to spread out while keeping the cook connected to the adjoining living and dining areas. Stone benchtops, 900mm gas cooktop, electric oven, dishwasher, twin sink, large walk-in pantry along with soft-close cupboards and drawers, add another touch of quality. The kitchen flows effortlessly to the open-plan living and dining area before continuing outdoors to the sheltered alfresco entertaining, making it the perfect space to enjoy the outdoors in comfort while taking in the golf course views.

For golf enthusiasts, the lifestyle on offer is hard to beat. The rear roller door provides direct access to a purpose-built golf buggy ramp, allowing you to drive your buggy straight from the garage and onto the golf course. No loading, no trailers and no unnecessary fuss, simply jump in and head out for a round.

Practicality hasn't been overlooked either, with the double garage under the main roof providing internal access via the kitchen, while the laundry offers floor-to-ceiling linen storage, a broom cupboard and provision for appliances beneath the bench. The garage also provides the ideal secure storage and launching point for your golf buggy.

Year-round comfort comes courtesy of 12kW ducted heating and cooling, while the combustion heater adds warmth and ambience when you want to slow things down and enjoy a cosy evening at home. The home also comes with 10kW of solar to help keep those power bills down. And when convenience matters, it's right at your fingertips. From your smartphone, you can control the heating and cooling, irrigation system and even open the roller door before you've arrived home.

Whether you're looking for a permanent home, a coastal getaway, an investment or an easy-care property to downsize into, this is one that deserves your attention.

No waiting for construction. No choosing finishes. No building delays. Just move in, unpack and start enjoying the Dunes lifestyle, and for those who love golf, the combination of direct course access, dedicated golf buggy access, golf course views and a beautifully appointed modern home make this property something truly special.
