Ducted reverse-cycle air conditioning ensures year-round comfort, while stepping outside takes you to another level of living. The side pergola creates an ideal space for entertaining family and friends, enjoying a morning coffee or simply relaxing outdoors.

For those needing room for vehicles, toys and hobbies, the property delivers in spades. There is a double garage under the main roof, plus side access through the double gates to the fully fenced backyard and a 7m x 5m shed with concrete floor and power.

Adding further appeal is the 6.5kW solar system, helping take the sting out of rising household power costs.

Whether you're downsizing without wanting to compromise on space, starting out and looking for a home you can simply move into, or searching for a low-fuss property with shedding, this one deserves your attention.

Quality surrounds, practical living, great shedding and nothing major left to do.

Don't just drive past, call Tom Nolan on 0438 797 687 to book an inspection and get your feet through the front door.
