

Modern Comfort, Easy-Care Living

3 1

Built in 2014, this well-presented three-bedroom transportable home at 24 Dunn Street offers comfortable, practical living with a fresh finish outdoors.

Inside, the home features a modern, functional kitchen and a welcoming main living area. Split-system air conditioning in both the main living area and bedroom one provides year-round comfort, complemented by ceiling fans in two bedrooms.

The fully fenced yards have been landscaped with fresh gravel, creating a tidy, low-maintenance setting. A new galvanised rainwater tank with a pump supplies the toilet to help reduce mains water use, while a small garden shed at the rear provides handy storage for tools and garden equipment.

Conveniently positioned near schools and everyday amenities, this home is an appealing option for first-home buyers, downsizers or investors seeking an easy-care property.
