A SUMMER OF DREAMS A WINTER OF WARMTH

Imagine summer days spent right on the river, where the dream of swimming, boating, fishing and water sports becomes a reality from your own absolute riverfront property.

Then, as the seasons change, enjoy winter evenings sitting around the open fire, relaxing with family and friends and solving the world's problems.

Set on an approximately 743sqm* allotment with a 15.24m* frontage, the property offers power, shedding, a front retaining wall, effluent tank and connection. The allotment is fenced and has no significant trees, providing a great base to enjoy now or plan for the future.

With absolute river frontage and direct access to the water, this is an opportunity to secure your own piece of riverfront paradise and start creating memories for years to come.

Please note: The property is subject to a lease expiring in 2466.
