

Do me up or knock me down!

This stone cottage has certainly seen better times but there is still hope! With 4 main rooms and the old bathroom out the back this home is ready for its next chapter. There are no services connected to the property. Power is available and a new septic would be required. Some old shedding to the rear of the cottage and the yard is a blank canvas. This cottage would make a great project or weekender.

Hallett has a surprising amount of community facilities including the bowls club, tennis courts, playgroup, the shop and hotel as well as having a local doctor available once a month. Come and see what this property and the Hallett township have to offer. A great community within a highly regarded rural location with ample services and a short distance to regional centres.
