WATERFRONT COPPER COVE MARINA

This property gives you the best of both worlds, being waterfront living plus being very close to the famous North Beach for those leisurely sunset strolls or beach cricket. This is an established brick veneer home comprising 3 bedrooms with the main offering a large walk-in robe and a spacious ensuite. The open plan consists of a great living room with bay windows overlooking the garden and marina, a meals area and breakfast bar to the kitchen. The formal lounge has sliding doors to the huge paved outdoor living area. This is a great spot to bbq or party with friends and can be enclosed with slide down blinds. The double garage under the main roof gives access into the home and is tiled as a bonus. Leading down to your private pontoon is a relaxing easy-care garden which is a terrific outlook. The pontoon is so handy for your boat or other water vessels, saves lots of time going to and from the boat ramp and this property is not too far from the marina basin.
