The large open-plan living, dining, and kitchen area has a tiled floor, split-system air conditioning, ceiling fans and a slow combustion heater in one corner provides warmth to the room. The kitchen includes laminate benchtops, a double sink, dishwasher, 900mm stainless steel gas oven and cooktop, and a walk-in pantry. The house is supplied by rainwater and bore water, with a de-salination plant connected to the house to allow the bore water to be used without issue (the De-Sal plant will need servicing).

A double garage with power and a concrete floor is located off the north-west corner of the house, with ample space for a double carport for additional undercover storage.

This property also features a round yard, horse stables with yards, numerous storage sheds, and an old house. A large open machinery shed with an earth floor, approximately 6 x 48m in size, a small hay shed, a 2-stand shearing shed with power and sheep yards, and 4 standing silos great for storage of stock feed (not vermin proof) round out the features of this fantastic property.

Currently fenced into 4 paddocks approx. 85 acres in total of easy working clay loam soils, this property is well-suited for cropping operations.
